

About PEAK

Offering a large and ever growing suite of in-person and online courses, PEAK is uniquely positioned to be your training partner for every step of a polygraph career – from a true beginner to covering advanced topics in all the perfect amount of detail.

Objectives

Our mission is to provide governments (federal, state and local) and private individuals with the highest quality credibility assessment training and consulting services available. We will help our students utilize best practices and leading edge scientific procedures.

Our Vision

Benefit the credibility assessment profession and enhance security and safety worldwide.

PEAK Credibility Assessment Training Center was formed under the leadership and guidance of its director, Ben Blalock. Ben is well known for his knowledge of polygraph, the exceptional nature of his training courses, as well as his personal approach in the classroom. Ben and PEAK have received numerous accolades in the public and private sectors.

Contact us to learn about how to make PEAK your partner in training. Whether basic, advanced or online, we offer the most complete training.

“PEAK is my agency’s choice for all polygraph examiner training.”

“An examiner who graduates from a PEAK course, is an examiner who is ready to test in the field.”

“This was one of the most challenging and awarding classes I have attended in my Law Enforcement career.”

“The training has made me feel prepared to get right into the field and start administering polygraph examinations.”

“The PEAK PCSOT course was one of the best courses that I have ever taken.”

“PEAK does not just teach you how to administer a polygraph, they teach you the how and why of every aspect of polygraph.”

“The quality of instruction and the instructors were by far the best.”

“The polygraph concepts taught here are leading the industry and based on proven scientific methodologies.”

“Even though I am an experienced examiner, I learned some new things and had some old ones reinforced.”
